We do this for the purpose of our legitimate interests in operating the Club. However, we disclose only the personal data that is necessary for the third party to deliver the service and we have a contract in place that requires them to keep your information secure and not to use it for their own purposes. It is possible that third parties may themselves engage others (sub-processors) to process your data. Badminton Scotland may use third parties to carry out the surveys but disclose only the personal data that is necessary for the third party to do so and will have a contract in place that require the third party to keep your information secure and not to use it for their own purposes.
- 5.4 Any changes to the PVG status will be shared with Badminton Scotland. That means we can be sure that those vulnerable groups involved with LBG are as safe as possible.

6 How long do we keep your information?

- 6.1 We will hold your personal data on our systems for as long as is required for the purpose that required we obtain the data or for as long as is necessary to comply with our legal obligations. We will review your personal data every year to establish whether we are still entitled to process it. If we decide that we are not entitled to do so, we will stop processing your personal data except that we will retain your personal data in an archived form in order to be able to comply with future legal obligations e.g. compliance with tax requirements and exemptions, and the establishment, exercise or defence of legal claims.

6.2 We securely destroy all financial information once we have used it and no longer need it.
