

Committee Update – Welcome Paul Rossi

By Lanarkshire Badminton

We are pleased to announce that we have Paul Rossi on board as a new member of the committee at Lanarkshire Badminton Group. Paul attended our previous two committee meetings including our Annual General Meeting (AGM) and I did not take much selling to secure his services. He is Quantity Surveyor by trade and is already supporting in many core areas of the group with his input and expertise:

Group Convenor, Jill Smith added:

"We are thrilled to have someone of Paul's calibre on board. He is certainly hitting the ground running and has provided us with some fresh thinking in particular areas including sponsorship, fundraising and our website. We look forward having Paul involved in helping shape the direction of the group in collaboration with the committee"

Paul is a regular badminton player and enthusiast who has previously volunteered at the Scottish Open Badminton Championships - good to have him involved.

Welcome aboard Paul!
