

Primary Staff receive training through SL Probationer academy & Carluke CPD Workshop

By Lanarkshire Badminton

Recently our Group Convenor & BASE's Director of Coaching Jill Smith along with Badminton Scotland have been providing primary staff across South Lanarkshire with training opportunities to provide staff with both the ideas and confidence to deliver badminton within their school.

Badminton was once again offered an opportunity to be part of the SL Probationer Academy which took place at Uddingston Sports Centre with 34 staff in attendance. This is a programme for newly qualified primary school teachers to give them support with teaching badminton as part of their PE curriculum and potentially lead to more Extra Curricular badminton clubs being setup. A thank you to Carina Sheldon of SL Active Schools for having badminton involved again.

In Carluke, Jill and local coach & volunteer Carol Coates in conjunction with Calum Taylor of SL Active Schools ran a CPD Workshop for the Carluke Primary Clusters. This was held at St Athanasius Primary School with 9 enthusiastic teachers keen to take what they have learned into practice.
