

## Gold and Bronze for GSOS Alfie Martin in Cheltenham

By [Glasgow School of Sport \(GSOS\)](#)

Congratulations to S3 pupils Charlie Junnor and Lanarkshire's Alfie Martin, who won their first title at the English Gold level in Cheltenham on Sunday. Charlie and Alfie reached the final beating English Second seeds Ceglinski and Singh before receiving a walkover in the final against the No. 1 seeded pair. Both boys have shown good promise at this level and continue to challenge the very best players in the UK.

Alfie competed in the Gold Star Singles where he gained a Bronze Medal losing out to England's Yixiang Hou. Charlie competed in the Gold Singles, losing 26-24 in the third set at the quarter final stage.

This was the final event in preparation for the upcoming European Under 15 Championships in Poland.

We wish both boys the very best.
