Scottish Badminton Community Golf Day in aid of the Russell Hogg Trust – 31st May 2024

By Craig Robertson & Alan McMillan

We are delighted to raise funds for the Russell Hogg Trust and bring together friends from the badminton community in Scotland and beyond! Our plan is to provide a few opportunities for the badminton community to re-engage with friends, meet new ones or simply reminisce. Many people may have been away from the scene for many years, so let's get together and join friends, players, coaches, teachers and volunteers from years gone by.

Russell Hogg:

Russell was a Scottish Internationalist who hailed from Dunfermline. A multiple National Champion in Doubles and Mixed Doubles as well as a 2002 Commonwealth Games Team Bronze Medallist, Russell was one of a handful of Scottish players that achieved over 100 International Caps.

Russell was one of the very top coaches in Scotland and was involved in coach education prior to working with Scottish Disability Sport. Russell sadly passed away in 2012 and since then the trust has supported many aspiring athletes. As a friend, competitor, coach and role model, Russell has been missed over the years.

Places are limited to 40 players and will be accepted on a first come basis.

Come and join us on 31st May!

Thank You
