AYRSHIRE BRONZE (GRADE C)

Having regular competitions in the Ayrshire area has been one of top aims of Ayrshire Badminton Club (ABC) to increase competitive play without hours of travel.

There were Krisha Jen Aguilar, Amitabh Bhattacharjee, Rebecca Dobbin, William Hayden and Landerson Inocencio competing all from Lanarkshire. Aguilar had a close 3 setter in group stages of mixed doubles with partner Lorde Jeremiah Lim. Bhattacharjee & Hayden partnered up in the men's doubles winning 2 out of 4 games and unlucky not to progress to quarter finals from Group C. Landerson Inocencio was competing with Lim in Group D of Men's Doubles. They fought hard and unfortunate not to take a win despite pushing their opponents all the way, in particular their fourth match losing 21-15, 22-20.

Rebecca Dobbin was in action in both the Women's Doubles and Mixed Doubles. In the Mixed, Dobbin teamed up with Joshua Lowe and were close to progressing through group stage winning 2 out of 3 matches – including 3 setter win against second seeds. Meanwhile, in the Women's Doubles Dobbin and partner Chelsea Byrne reached Semi Final losing to eventual winners Emma Cook and Lexie Boland.

Well done to all the participants and great to see more Bronze events taking place.

Congratulations also to Kerry-Anne who ran the competition, the first event she has delivered on her own.
