

Lanarkshire Junior County Teams round off busy year of badminton!

By Lanarkshire Badminton

At the weekend, Lanarkshire had two county teams competing. This included our S1-S2 Junior Team competing in the SSBU Junior Inter-Area Event at the Sir Craig Reddie Centre in Glasgow. Meanwhile our U19 Team competed against various scottish and english counties down in Newcastle as part of the Anglo-Scottish County Event.

In the Junior Inter-Area Event, it was a tough opener against a well prepared Edinburgh Team who beat Lanarkshire 9-1, with Arisha Manir managing to pickup a win in Girl's Singles 2 rubber winning 21-12, 21-17. The next match was against a strong Glasgow Team with a improvement from the opening match, losing out 8-2. Finally, the young team took on West and again despite some close matches the team lost out 9-1.

Some very impressive performances from the young Lanarkshire Team with lots of positives and learning experiences to be taken away from this event.

Jill Smith, our Team Manager said:

"What a great effort from our players. A really tough day but top marks for sportsmanship and attitude. The players all gave their very best and thats we can hope for. Overall I am very proud of the team"
