

## Camglen & EK School Staff complete Primary Badminton CPD Workshop

By Lanarkshire Badminton

Last week 12 staff from the Camglen and East Kilbride area completed Badminton Scotland's 2 hour Primary Badminton CPD Workshop which was held at St Columbkil's Primary School in Rutherglen.

The course was delivered by Jill Smith our Group Convenor & Director of Coaching at Badminton Academy Social Enterprise (BASE) and Pam Casey who is also a coach with BASE and recently joined our Lanarkshire Badminton Group committee.

Staff were provided with ideas and confidence to deliver badminton within their primary school the focus on delivering fun activities for their pupils – typically with large numbers and a 1-2 court badminton hall. Further to this, the course covered key aspects including basic technical skills, setting up activities and focused on using the STEPS model to adapt activities where necessary.

The course was also supported by the Cambuslang & Rutherglen Sports Council which was greatly appreciated by those involved.

Carina Sheldon, from SLLC Active Schools: “This course has been ideal for upskilling our staff and hopefully support teachers in delivering quality of badminton within their school”.

Thanks to Carina Sheldon from SLLC Active Schools for organising and to Jill Smith & Pam Casey from BASE with the delivery
